Transactions Through Your Broker/Dealer

Your broker/dealer may instruct Continental Stock Transfer & Trust Company ("CST") to deliver your holdings on your behalf.

The Direct Registration System ("DRS"), if applicable, allows you to authorize your broker/dealer to send an electronic instruction to CST to debit holdings from your DRS position and deliver them electronically to your account with your broker/dealer. To effect such transactions your broker/dealer will need to include the following information; your CST Account Number, your Social Security or Taxpayer Identification Number, the name of your CST account, and the number of DRS shares to be delivered.

CST will honor such requests from any broker/dealer participating in the Direct Registration System.

While a broker/dealer should have your authorization to debit holdings from your CST account, CST will have no way of verifying if you actually authorized the transaction since the instruction is coming directly from the broker/dealer.
